THE TALISKER WHISKY ATLANTIC CHALLENGE 2023

OCEAN ROWING STATS WORLD RECORD ATTEMPT

Talisker Whisky Atlantic Rowing Challenge (TWAC) - 3000 miles #redefiningage #Intrepid232 #seekingsponsorship

We are looking for sponsorship at many levels ranging from the overall title sponsor through to gold, silver and bronze levels. In addition, we are looking for help in buying the essential equipment required for us to undertake this challenge. Full details of all packages and the benefits to sponsors are laid out on our Website and in our Brochure.

Below is a wish list of the equipment required. If you are able to help in any way please get in touch. Sponsors are tagged in our social media posts, feature on our website and depending on the level of sponsorship package, a large logo displayed on our boat, and across team kit. We are very happy to work with sponsors for any specific requirements they may have.

Safety Harnesses x 4 Essential piece of equipment and to be worn at all times.	£430
Safety Tethers x 4 Essential piece of equipment to attach to the jackstays on the boat and to our safety harnesses to keep us safe and attached to the boat at all times in case of capsize.	£320
Rowing Cushions x 4 Not essential but absolutely advisable to help ease the pressure on our bottoms!	£330
Jetboil cooker plus fuel To heat up water to rehydrate our meal packs and for hot drinks throughout the race.	£500
Survival Suits x 4 Waterproof, lightweight immersion suits.	£780
Tool kit Specific to the equipment on our boat.	£300
Lifejackets and re-arming kit x 4	£470
EPIRB An emergency position indicating radio beacon - a small electronic device that can help search and rescue authorities find people in distress. When activated, it emits a continuous distinctive radio distress signal for at least 48 hours.	£425
PLB x 4 A personal locator beacon is a personal electronic transmitting device that is designed to alert potential rescuers to a life-threatening situation in the air, on water or in remote areas. Each crew members wears one at all times fixed to safety harness.	£1100
Liferaft ISO 9650-1 Solas B Pack	£1400

REDEFINING AGE

THE TALISKER WHISKY ATLANTIC CHALLENGE 2023 OCEAN ROWING STATS WORLD RECORD ATTEMPT

Para anchor Para-anchor is short for "parachute sea anchor." This large-diameter parachute system is used to "anchor" a boat in water too deep for ground tackle. Its design stops the vessel's forward progression through the water and stabilizes its position to the wind.	£1125
Handheld watermaker Although we have a fixed watermaker in the boat it is a race requirement to also carry a handheld device.	£1300
Flares As specified by the race organisers .	£400
Deck Knives Fitted on bulkhead walls opening side of the cabin hatches and mounted inside each accommodation cabin.	£280
Sunglasses 2 pairs per rower	£600
Foul weather clothing x 4 sets Waterproof, windproof and breathable and shall comprise of a waterproof top and waterproof trousers - designed for offshore sailing and suitable for the task.	£4000

This is just a selected list of what we need. If you are interested in sponsoring any of the above equipment or indeed just wish to talk to us about any other options then we would love you to get in touch.
